Transport

• Transport can help you access taxi's or uber's for your personal supports, such as attending therapy appointments.

Consumables

- Continence products
- Some sensory equipment
- Modified cutlery and crockery
- Some assistive technology

Assistance with Social, Economic & Community Participation

- supports to help with accessing events in the community e.g. going to the local football
- supports to attend and participant in group activities;
- support to assist with doing your shopping;

Assistive Technology

• This includes equipment items for mobility, personal care, communication and recreational inclusion

Home Modifications

- Shower rails
- Wheelchair ramps

Vehicle Modifications

- Specialised hand controls
- Seat and pedal modifications
- Wheelchair access equipment

Specialised Disability Accommodation (SDA)

- Specialist disability accommodation (SDA) is a range of housing designed for people with very high support needs.
- SDA homes are constructed to be more accessible and enables better or safer delivery of other supports you may need.
- SDA funding includes the cost of the home or building you live in, and usually, you'll still need to pay rent or other personal costs to live in SDA

CAPACITY:

Some examples of supports from the Capacity Budget category
