Transport

Stay connected
to your community.

Reliable and safe transport for independent living.

From doctors appointments, to catching up with family and friends - accessing affordable, reliable and safe transport shouldn't be a barrier to staying connected to your community.

Community Transport could be the right option for you if any of the following apply:

- you are elderly and have limited mobility
- you have a disability or health issues that limit your mobility
- you live in an area with little or no public transport and don't have access to private transport.

Benefits of our Community Transport:

- It's affordable
- Drivers are highly trained
- Vehicles provide wheelchair access
- Drivers can provide mobility support
- It's door-to-door.

Our Services:

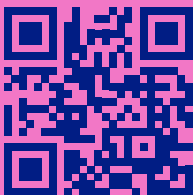

Community Transport

- Receive support for medical appointments and outings with friends
- Easily access essential services and your local community
- Feel empowered to explore, learn, shop, and socialise locally
- We have a range of vehicle options to suit your needs including: comfortable cars and spacious buses with wheelchair access.

For more information about our services, including funding options, please get in touch.
